Life on the Water in the West

A message from your EVP

Hi Everyone, and happy Anniversary! That's right, we are celebrating the 100th anniversary of Water Skiing this year. Keep an eye on our website and in your email inbox for more information on special activities being held throughout the year for celebrating this milestone.

To help usher in the next 100 years, USA Water Ski & Wake Sports and AWSA is implementing many new programs. This includes some new IT upgrades to our systems supporting the sport. As you probably know by now, we implemented a new membership system in January. This new program will make it easier to manage your individual and club membership renewals as well as provide important information on your ratings, certifications, and membership status. We will continue to upgrade our systems in other areas as well. Stay tuned and we will keep you posted on our progress.

The organization has also launched the Safe Sport Program for all active AWSA members. As an amateur sports organization, we are required to follow the Safe Sport code per federal law [S534, the Protecting Young Victims from Sexual Abuse and Safe Sport Authorization Act of 2017](#). USA Water Ski & Wake Sports has always been committed to providing a safe environment for our athletes to compete and train. We believe this is paramount to the success of all our programs. Details of the program and its requirements can be found on the USA Water Ski & Wake Sports website. Here is the link: <https://www.teamusa.org/USA-Water-Ski/Safe-Sport/SafeSport-FAQ>

We are pleased to announce that Bell Acqua Lakes in Rio Linda, CA will be hosting the 2022 Western Regional Championships. We are thrilled to be going back to Bell Acqua this summer, so make your plans now to be a part of the fun. The 2022 Nationals will once again be held at Mystic Lakes in Maize, KS.

As an organization these past few years have been very challenging for us. Dealing with the Coronavirus, changes in age divisions, new systems, new technologies such as Surepath and the adoption of programs such as Safe Sport are all designed to help us move forward and continue to grow our sport. I appreciate your patience in adapting to the many changes and ask for your continued support as we work together to create a bright future for competitive waterskiing.

The Western Region Merit Award

Previously the Rich Slingerland Award of Merit

Every year since 1975 the Western Region has recognized a member or an official who epitomized friendship, dedication and integrity. The first award was presented at the US National tournament and is now one of the Western Region's most prestigious honors. This award was established and is maintained for a deserving person who might otherwise go unnoticed. All Western Region members are welcome & encouraged to submit nominations for this award to their local councilperson or to Larry Laughlin prior to the Regional tournament.
