Life on the Water in the West

A message from your EVP

Hi Everyone, and happy new ski year! I hope you are as excited about this upcoming tournament season as I am. This will be a banner year for our region as we will be hosting the National Championships in addition to over 100 local tournaments. There will also be numerous junior development camps and a number of grass roots opportunities for those just getting started on their waterski journey. Be sure to check the Regional Guide on our website: awsawest.com for more details.

This past year we faced major challenges in recovering our online systems from a cyber-attack and we continue to address lingering issues. As you may know most of our systems are programed, supported and maintained by volunteers who work diligently to provide these valuable services for our sport. We owe a debt of gratitude to these gifted, talented and generous people.

We are pleased to announce that Wet Set in Newberry Springs, CA. will be hosting the 2024 Western Regional Championships. 2024 marks the 50th anniversary of tournaments held at Wet Set Village and this year's event will be the 8th Regional Championships hosted at this site. The team at Wet Set is planning an event that will be both memorable and action packed. I am also thrilled to announce that the 2024 Nationals will be held at Ski West Village in Arvin, CA. It is very exciting to have the Nationals in our backyard and I expect we will see a large showing of competitors from our region this year. Make your plans now to be a part of both these exciting events.

As I begin my 6th and final year as your EVP, I would like to say thank you to all of you for your support. Together we have worked tirelessly to keep our sport thriving and growing. I thoroughly enjoyed this journey with you and I am confident that we have a bright future ahead. It has truly been a privilege and an honor to serve as your EVP!

I'll see you on the water!!
